Violation by a student of any one or more of the following rules of conduct may result in disciplinary action(s) which may include detention, deprivation of privileges, parental contact, referral to legal authorities, emergency removal, disciplinary removal, suspension, expulsion, permanent exclusion, or other disciplinary actions as deemed necessary to respond to inappropriate actions or behaviors. B. Grading Policy

The Austintown Elementary School utilizes a Standards Based Report.

Grades K-2 are currently using a standards based report card. Please visit <http://www.austintownschoools.org> and click on the “example of a standards based report card” link to learn more about the new report card and indicators of progress.

C. Homework Policy

Homework policies have been adopted by the board of education and vary for each school and grade level. Please refer to board policy for the latest information.

D. Grade Reports

Grade reports are issued at the conclusion of each grading period. Parents/guardians and students are permitted access to Progress Book which allows for ongoing supervision of student academic success.

E. Progress Book

All ALS students and parents/guardians are provided with Progress Book accounts. Parents and students can login in daily to view all homework assignments and current grades. However, if student fees and charges are not paid in a timely manner, access to Progress Book will be discontinued until the account is paid and in good standing.

Staff members will attempt to update grades weekly at a minimum.

F. Visitors

Students are not permitted to have guests. State law requires that all visitors sign in the main office and show a valid government issued photo id. Additionally, the Austintown Local Schools will not permit visitors to go beyond the front desk without government issued photo ID, which will be scanned by school security prior to a visitor’s pass being issued, and the visitor receiving access.

G. Bus Transportation Policy

Riding a school bus is a privilege and not a right. Students must abide by all regulations determined by the school bus policy and the bus driver, including getting to the bus stop on time and to the bus promptly upon school dismissal. Failure to comply with all school bus safety rules will result in disciplinary action such as a verbal warning, a written bus conduct report, suspension from bus riding privileges, or permanent exclusion from bus riding privileges. A copy of the Austintown Local Schools transportation safety rules and policies will be signed off on by all families through each child's individual bus driver. Questions regarding transportation can be answered by calling the **Transportation Office, Ext. 1084**.

H. Walking to School Policy

Students walking to and from school shall obey all local safety rules. Loitering on school grounds before or after school is prohibited. The use of a bicycle or skateboard is not permitted as transportation to and from school.

I. Early Arrival to School Policy

The school doors officially open at **8:05** a.m. for all students. The building doors will not be opened until **8:05** a.m. Students should not arrive before this time because they will not be supervised by school officials. Students entering at **8:05** a.m. should report to the cafeteria where they will either eat breakfast **or report directly to their classroom**

J. School Clinic Services

Students who are ill must first get a pass from their classroom teacher before going to the clinic. Failure to follow the correct procedure could result in the student being reported truant from class. If the clinic is closed, the student should report directly to the main office. Students may not leave school due to an illness or injury without being released by the medical staff. If it is necessary for the medical staff to administer medication during school hours, the following requirements must be met prior to the administration of medication:

PRESCRIPTION MEDICATION:

1. A Medication Administration Record (MAR) General Medication Form or the appropriate School Action Plan (Asthma, Diabetes, Emergency Allergy, Seizure) must be completed and signed by both the healthcare provider and the parent/guardian.
2. The medication must be brought to the school clinic by the parent /guardian. Students are not permitted to carry or transport an emergency medication (i.e. Inhaler, EpiPen) unless previously authorized by the school, physician, and parent/guardian.
3. All prescription medication must be labeled appropriately by the pharmacist or physician and in its original container. The label must state the student's name, dosage, and time(s) to be taken and must match the Medication Administration Record (MAR).

OVER-THE-COUNTER MEDICATION (Non-prescription):

1. A Medication Administration Record (MAR) General Medication form must be completed and signed by the parent/guardian.
2. The medication must be brought to the school clinic by the parent /guardian. Students are not permitted to carry or transport medication unless previously authorized by the school, physician, and parent/guardian and is an emergency medication (i.e. Inhaler, EpiPen).
3. All non-prescription medication must be in its original container and labeled with a permanent marker indicating the child's name. Medication not in its original container will not be administered to the

student.

4. The recommended dosage on the box of non-prescription medication will be reviewed and compared to the parent/guardian's request. If the dosage exceeds the amount recommended on the medicine container/box, it must be requested by a healthcare provider's order on a Medication Administration Record (MAR).

In addition, the first dose of any new medication will not be administered at school in case of an allergic reaction. Also, it is the student's responsibility (age appropriate) to report to the clinic at the designated time to receive any medication ordered. Any change to the medication must be submitted on a new Medication Administration Record (MAR). If a prescriptive medication is to be discontinued, a written note must be provided by the healthcare provider. New medication forms must be submitted for each school year and for each medication. Parents/guardians must pick-up any unused medication. Medication will not be sent home with the child unless previously authorized and is an emergency medication.

Cough drops will not be given out in the clinics. Clinic staff can use a warm salt-water gargle to ease scratchy throats. Students in grades 3-12 may bring cough drops to school with a note from the parent/guardian. However, the cough drops, along with the note, will be stored in the clinic.

LICE:

In an effort to control head lice infestations and protect all students, Austintown Local Schools maintain a "no-nit" policy to control the spread of head lice among classmates. Students will not be admitted to school if there are any visible signs of lice or lice eggs (nits). The policy is enforced in this manner:

1.If a child is found to have lice or nits, the parent will be called to take the child home and treat the infestation until all lice and nits have been removed. The school will provide information about treatment.

2.The student may return the following day if he/she has been treated and all nits have been removed.

3.A parent/guardian is required to accompany the child when returning to school and the school nurse will check the child's head. If any nits are found, the parent/guardian must take the child back home to complete the removal.

4.For a few weeks after the child returns, head checks will be performed to monitor the possibility of reinfestation.

The Ohio Administrative Code states "a person with head lice shall be excluded from school or child care centers until after the first treatment with an effective pediculicide." Most parents/guardians successfully treat this issue, if and when it occurs, with assistance from the school nurse. OAC 3701-3-12 K.

K. Immunizations

In order to minimize the spread of preventable illnesses in schools and provide students with a healthier learning environment, the Board requires immunization in compliance with State Law and the Ohio Department of Health for each student unless the parent(s) files an objection. The Board may also require tuberculosis examinations in compliance with the law.

Students eligible for kindergarten and students new to the district must present written evidence of similar immunizations, or written evidence to indicate they are in the process of receiving immunizations, to be completed no later than the day of entrance. Students failing to complete immunizations within 14 days after entering are not permitted to return to school.

L. Counseling Services

Counselors are available at each grade level to assist students with educational and personal concerns.

School counselors provide an opportunity for students to discuss their thoughts and feelings with a concerned adult in a confidential setting.

M. Cafeteria

Each student is provided a scheduled lunch period according to grade level. The school administration, cafeteria management and lunchroom supervisors expect all students to follow the cafeteria rules at all times.

N. Food Service Department FAQ's

1. How can I contact the Food Service Department?

Phone: (330) 797-3901 ext. 5041

Email: AFFoodServices@austintownschools.org

Website: AFFoodServices.com

2. Where can I find information about the Food Service Department at Austintown Schools?

The Food Service Department has their own website: AFFoodServices.com

Please check out our website to find information on:

- Links to applying for Free/Reduced priced meals (LunchApplication.com)
- Links to adding money to your student's lunch account and setting low balance alerts (K12PaymentCenter.com)
- Current Breakfast & Lunch Menus
- Nutrition information
- Department policies

3. What is the role of the Food Service Department?

Food Services first and foremost ensures a smooth meal program for breakfast and lunch at each building in compliance with USDA regulations. However, there are many other aspects to our department. We process and document all of the Free and Reduced lunch applications, document meal count reports to the State, maintain a proper district Wellness Policy, work with the PTA to provide foods and beverages at school functions, and operate as a self-funded entity.

4. What is my Student's Lunch ID number?

Every student has a lunch account created at the time of enrollment. Your student's lunch ID number is the same as their school ID number. You can get this number by asking the secretary at your school, calling the Food Services Office (ext. 5041), calling Registration, or on a report card. This number stays with your student through all their years here at Austintown Local Schools. At AES, students are enrolled in our biometrics system for use in the lunchline as an alternative to using their ID number.

5. How can I apply for free or reduced priced meals?

We encourage all of our Falcon families to apply for Free or Reduced Priced meals at LunchApplication.com on or after July 1st before school starts. This is the quickest, most efficient way to submit an application.

6. My household received free meals last year, do I need to apply again this year?

YES! The Free or Reduced Price Meal Program is an **OPT-IN** program administered by the federal government. If you do not completely fill out an application each school year, we will assume you do not wish to participate in the program. You will receive an approval or denial letter via postal mail with your meal benefits status.

7. Can I request a paper application?

You can request a paper application at your school's main office. However, please be aware that the processing of paper applications can take 2 weeks after Food Services receives your application. Unfortunately, paper application can get lost in the shuffle of back to school paperwork. It is ultimately the household's responsibility to make sure the Food Service Office received your application.

8. I sent in a paper application but I have not heard back from the school. What happened?

If you have not heard from us via postal mail within 2 weeks, you must call Food Services at ext. 5041. Until your application is processed and you are approved for free or reduced priced meals, it is the family's responsibility to provide enough lunch money or a packed lunch for your child. Charges accumulated during this processing period will NOT be forgiven, even if you are approved for free meals. So please apply online at LunchApplication.com.

9. I received a Direct Certification letter before school started. What does this mean?

This letter notifies you that your household was Directly Certified for free meals via the Ohio Department of Education and you **DO NOT** need to apply via an application. Please be sure each and every one of your students is on this letter and contact our office directly in order to add any missing students to your benefits. Only the Food Services Office can add a missing student. Additionally, because your household was approved for free meals, you may choose to waive your student's school instructional fees. You must sign and return the entire letter to waive your school fees and allow us to share this information with the building secretary.

10. What if my student goes to the cafeteria to eat and does not have money? What is the meal charge policy?

Please see the **Unpaid Meal Charge Policy** on our department website at AFFoodServices.com for more detailed information. If your student comes to the cafeteria to eat we will serve them a meal and charge the meal price to their lunch account. If you do not want your student to utilize the cafeteria, please call the Food Service Office to apply a restriction to their account. The family is responsible for all charges applied to their student's account.

11. Where can I monitor activity on my student's lunch account?

Visit K12Paymentcenter.com to create a free login and access your student's lunch account (must have your student's ID number). This website allows you to monitor your student's meal purchases, setup low balance email or text alerts and make online payments with a credit/debit card.

12. My student has a food allergy, how can I inform the Food Service Department?

Every school year each child must have an Emergency Medical Form completed. Food allergens are marked on this form and the school clinic informs Food Services. Upon receiving this updated information, Food Services applies an alert on your student's account highlighting their food allergy to our kitchen staff. Food allergies are cleared and updated yearly so we must be notified every school year of your student's allergies. Please see the **Food Allergy Information** sheet on our website to further understand how our department handles food allergies. If you feel you need to have a specific conversation with our department, please do not hesitate to call us. Additionally, if we need to clarify the information we receive about how to manage your student's food allergy, our office will reach out to the parents.

13. How can I add money to my students lunch account?

We encourage our families to apply funds electronically to their students account at K12PaymentCenter.com. We also accept cash or checks made out to the school cafeteria (i.e. Austintown Elementary School Cafeteria). Please send physical payments to the cafeteria in a sealed envelope marked "Lunch Money" with your student's first and last name and ID number.

14. How can I add a restriction to my student's account?

Please call the Food Service Office directly to add a restriction to your student's account. We have certain parameters in which we can restrict an account and want to be sure we limit the right purchases.

O. Fees and Student Expenses

All fees and student expenses are to be paid in the building in which the student attends. All obligations must be met by the end of the current school year. Students are responsible for asking for a receipt when paying expenses, fees, and other payments.

P. Safety Drills

Fire drills at regular intervals are required by law and are an important safety precaution. When the alarm sounds, everyone must promptly and quietly clear the building by the assigned route, which is posted in each classroom. When the alarm sounds during a tornado drill, students are to report to their assigned stations and remain quiet. No one is to return to the building during a fire drill or to a classroom during a tornado drill until the signal is given by the school administration.

Q. Bullying Policy

Harassment, bullying, and intimidation is defined by the Ohio Revised Code as an "**intentional** written, verbal, graphic, physical or electronic act that a student or group of students exhibited toward the alleged victim **more than once**; and the behavior both causes mental or physical harm to the other student, and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student (ORC3313.666) and that false reports will result in disciplinary action pursuant to the Student Code of Conduct that may include, but not limited to: detention, suspension, and/or expulsion depending on the circumstances. If you have been the victim, or know of a victim, who is suffering harassment, bullying or intimidation as defined above, please complete a Harassment / Bullying Incident Formal Report. Reports are available on the district website and in each school's main office and should be turned in to the grade level principal of the victim. If you wish to report anonymously, please use the form on the district website. **The complete Board of Education Anti-Harassment and Bullying Policy and the district's formal reporting form are included at the end of this student handbook.**

R. FERPA notification

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the Austintown Local Schools receives a request for access. Parents or eligible students should submit to the school principal [or appropriate school official] a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask any Austintown Local School to amend a record should write the school principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. [NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.]

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Austintown Local Schools to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

See the list below of the disclosures that elementary and secondary schools may make without consent.

FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from education records of a student without obtaining prior written consent of the parents or the eligible student –

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1))
- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2))
- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))
- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to §99.38. (§99.31(a)(5))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10))
- Information the school has designated as "directory information" under §99.37. (§99.31(a)(11))

S. Recess

Students will go outside for recess when the weather permits and the temperature or wind chill factor is no lower than **35 degrees**. All students are expected to go outside for recess. If your child is not permitted to go outside, he/she must have a note from you explaining why he/she cannot go out. Except in the case of an excuse from a doctor, two days is the maximum that a child will be permitted to remain inside during recess. The principal or designee or playground supervisor will decide if recess will be outdoors or indoors based upon that day's weather conditions. Students should dress under the assumption that recess will be outside. Failure to respect or obey the teacher or playground supervisor could result in loss of recess time, or other such disciplinary action.

T. Birthdays

We ask that parents observe the following with regard to student birthdays:

1. Do not have balloons, flowers or other things sent to school to be delivered to the child during school time. These will not be delivered to the classroom and balloons are not permitted on the school bus.
2. Food items are permitted if they are store bought and sealed in packages. . Allergy concerns will be considered. **As a precaution no peanut products are permitted in the classroom. This will be the same process for holiday room parties.**
3. Birthday treat bags (non-food items only) may be sent to the school only with teacher approval. Parents please drop the bags off at the office.
4. Birthday invitations may not be handed out to a student's class or their teacher for delivery. They are prohibited from being brought to school.

U. Parent Teacher Conferences

Parents who wish to discuss their child's behavior or class work with teachers or counselors may do so in one of two ways. Parents may schedule an appointment via email or phone call to their child's teachers or guidance counselor. Teachers have a non-academic planning time each day and can make themselves available during that time. Designated fall and spring conferences will be utilized for student led conferences. Students work and prepare diligently for this special opportunity to present and discuss their progress with their parents/guardians. We hope all parents/guardians can attend both nights.

V. Enrollment for New and Transfer Students

Parents wishing to enroll new or transfer students should report to the Registration Office. The following documentation must be presented: academic transcripts, report cards, birth certificate, immunization records, proof of custody or court order, and proof of residency in the district. Enrollment will not be processed without these documents.

W. Withdrawal

Students must sign out of school with a custodial parent's signature and all obligations must be completed.

G. Progression of Discipline for Dress Code Violations

Students who violate the dress code policy shall generally be progressively disciplined in accordance with the progression set forth below unless circumstances warrant otherwise. If circumstances warrant otherwise, the intermediate or elementary school is not required to follow the progressive discipline steps and may skip steps where warranted. Parents/guardians will be notified of any dress code violation. Section 3: Student Attendance Guidelines and Procedures

Attendance is responsible for maintaining accurate records of absence, tardiness, truancy, and early excusals. A student must attend school regularly to benefit from the educational experiences offered by Austintown Local Schools. A child between six and eighteen years of age is "of compulsory school age" for the purpose of sections 3321.01 to 3321.13 of the Revised Code. A child under six years of age who has been enrolled in kindergarten also shall be considered "of compulsory school age" for the purpose of sections 3321.01 to 3321.13 of the Revised Code unless at any time the child's parent or guardian, at the parent's or guardian's discretion and in consultation with the child's teacher and principal, formally withdraws the child from kindergarten

Attendance Guidelines and Procedures Revised (2017-18)

The Austintown Local School District recognizes three (3) different kinds of absences:

I. Verified

In this case, the attendance office was notified the day of the absence and the student brought in a signed, dated note from a physician, a document indicating a court appearance, or evidence of one of the following reasons for absence from school as permissible by the Ohio Revised Code:

The Ohio Revised Code and Board Policy permit students to be absent from school for the following reasons:

1. Personal illness
2. Family illness (medical verification may be required if it is deemed appropriate).
3. Quarantine of the home (The absence of the child is limited to the length of the quarantine as determined by proper health officials).
4. Death of a close relative - three (3) days maximum unless reasonable cause shown otherwise.
5. Observance of Religious Holidays.
6. Family emergency - it must be an acceptable reason in the judgment of the grade principal. The fact that the parent knows where his/her child is, if not in school, does not make the absence legal or verified.
7. Medical or dental appointments that cannot be arranged during non-school hours.
8. Authorized school-sponsored activities.
9. College Visitations (In accordance with the Senior Level College Planning Visitation provisions of this student handbook).

- **Due to the changes with House Bill (HB) 410, handwritten parent notes will no longer be accepted in the Austintown Local Schools. Official documentation from a medical provider or other expert within the above allowable categories will be considered.**

II. Excused:

In this case, the student was absent because of personal illness, family illness, or other reasonable situations.

III. Unexcused:

An unexcused absence is defined as missing class or school without a legal reason. These days will also count toward the “Excessive Absence Policy.”

Habitual Truancy

House Bill (HB) 410 made several significant changes to district obligations for working with students who are truant. It also made changes to student discipline. Under the revised law, the term “chronic truant” has been removed. The term “habitual truant” is still used, and the definition has been updated, removing references to “days” and replacing them with “hours.”

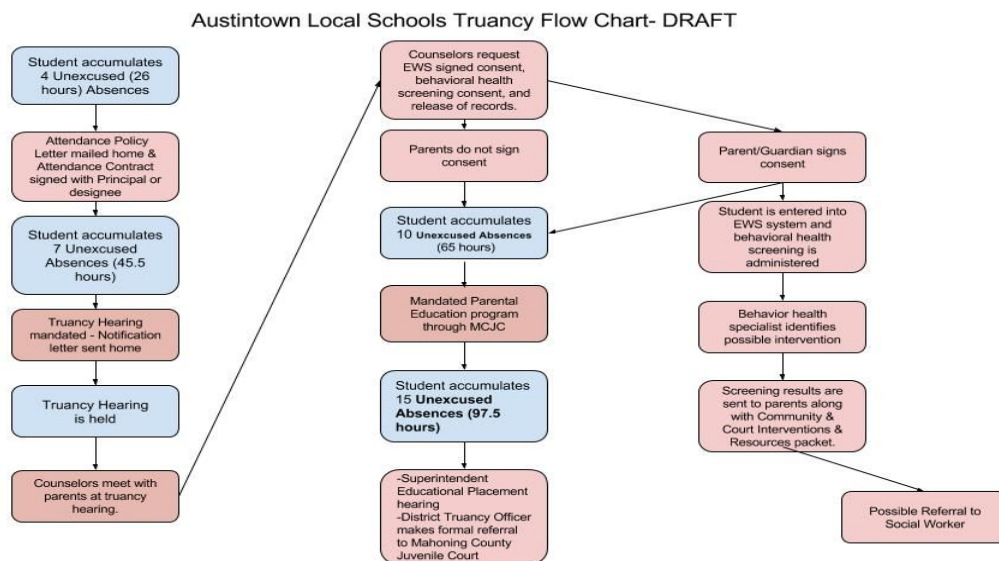

Under the revised definition, a **habitual truant** is defined as “any child of compulsory school age who is absent without legitimate excuse from the public school the child is supposed to attend for 30 or more consecutive hours, 42 or more hours in one school month or 72 or more hours in a school year,” (Ohio Revised Code (RC) 2151.011(B)(18)). The law expands the jurisdiction of juvenile courts in dealing with parents of truant students and creates a new option allowing the court to order school districts to place a child in an alternative school if one has been established.

Excessive Absence Policy: Since the Austintown Local School District encourages progressive instruction with an emphasis on activities that are student-centered, hands-on, and cooperative, it is sometimes impossible to duplicate a lesson outside the normal classroom setting. Students who exceed the maximum number of absences without verification in a class or the school day may lose academic credit for those courses, be retained in the current grade, or possibly be recommended for an alternative educational placement at the discretion of the superintendent or superintendent’s designee.

NOTE: The only days or class absences that do not count toward this total are “verified absences.”

Recommended Progression of Interventions for Habitual Truant:

Austintown Local Schools Truancy FlowChart

Make-up work policy: Each type of absence has specific guidelines about make-up work

Verified absence—All work may be made up anytime a student is absent with verification. It is the responsibility of the student upon return to school to contact the teacher and make arrangements to schedule make-up work. As a general rule, students are expected to make-up educational activities within a time period equal to the number of days that were missed. Special situations give the teacher the latitude to make other arrangements when it is necessary. If an assignment was due on the first day a student is absent, or if a test was scheduled to be administered on the first day a student is absent, the assignment/test is expected to be completed upon return to school. It is the responsibility of the student to make up work missed during absences. Make up work can be picked up if a student is absent for three (3) days. If you know your child will be absent for an extended period of time, please let the office know.

Truancy and Absence without verification—All work may be made up with the same rules as verified absences unless the student violates the “Excessive Absence Policy.” In these cases, make-up work may be denied.

Due process: All students with attendance concerns will be given due process. The parent or guardian of the student will be contacted by letter and/or phone before penalties or loss of credit occurs. The administration will be available to meet with the parent or guardian to develop strategies that help improve attendance and avoid any loss of credit or penalties.

Early Excusal Policy

When an emergency situation arises which cannot be scheduled at another time, a student may be excused for part of a day. A matter of convenience is not to be interpreted as an emergency situation. Parental Responsibility: To send notice, including the name and telephone number of the licensed practitioner or other party involved; a note signed by the custodial parent containing the same information is acceptable. Otherwise, the parent or guardian must make a request in person. Student Responsibility: To present the notice to the main

office immediately upon arrival to school, or the excusal may be denied. Please note: In grades Kindergarten through 8th, the custodial parent or legal guardian is required to report to the main office and sign-out the student prior to being dismissed from school-grounds.

To reflect the changes in the law per HB 410 and the obligations of the school district, early excusals and tardies are considered “hours” towards absences. The amount of time missed due to tardies and early excusals will contribute to the total absence hours and potentially cause a student to be a habitual truant. Time missed due to tardies and early excusals contribute to loss of instructional time which can adversely impact student achievement.

Reporting Non-Attending Students to the Ohio BMV (AHFS)

In accordance with Ohio law and Board Policy, Austintown Fitch High School personnel are required to notify the state Bureau of Motor Vehicles (BMV) of any student under the age of 18 who has withdrawn from school for any reason other than a change of residence. School authorities may also notify the BMV of students who are absent from school without a legitimate excuse for ten (10) or more consecutive school days or fifteen (15) total school days in a school year.

Tardiness to School Policy

Students arriving to first period class after the bell are considered “tardy to school.” Following are the first period start times for all Austintown School buildings:

AES – 8:30

AIS – 8:30

AMS – 7:40

AFHS –7:40

The administration maintains discretion in the application of these consequences.

To reflect the changes in the law per HB 410 and the obligations of the school district, early excusals and tardies are considered “hours” towards absences. The amount of time missed due to tardies and early excusals will contribute to the total absence hours and potentially cause a student to be a habitual truant. Time missed due to tardies and early excusals contributes to loss of instructional time which can adversely impact student achievement.

Do we need to add something that relates to this from HB 410? -district policy shall include notifying parents of student absences with or without excuse, of 38+ hours in a month or 65+ hours in a year, within 7 days of the absence that triggered the notice (this should be in writing, can be email but send read receipt, if phone call then document the phone call). These do not have to consecutive

No transportation changes or requests can be made after 2:30.

I. Tardiness to School Policy

Students arriving to school after the bell at 8:30 are considered “tardy to school.”

Section 4: Student Code of Conduct

Under the Student Code of Conduct, applicable Board policy, and administrative guidelines, the term "school" refers to all instances when a student is under the authority of the school; the term "property" refers not only to school-owned property but to any property, public or private, which may be damaged during the period when the student is under the authority of the school. The rules and standards set forth apply to conduct on school premises, or on school buses or any other school vehicle, or involving school property, or at any school-sponsored event/function, or within sight of school premises and connected to activities or incidents that have occurred on school property. The rules and standards also apply to any misconduct, regardless of where it occurs, that is directed at a district employee or Board official or the property of such employee or Board Official. Students are considered to be subject to the authority of the school when they are on school buses or any other school vehicle or at school related or school sponsored events even though those activities may not take place at an actual school. Some examples include athletic meets and games, field trips, contests, and concerts. Offenses, which occur at such events, will be subject to the same penalties as offenses that occur in school.
