**UPDATED INFORMATION**  
**Austintown Schools Food Services Department**  
**Meal Distribution During School Closure**

Based on parent feedback and the guidance of Gov. DeWine to limit our outings, we are making location and day/time changes to our meal distribution plan. Please note these changes below:

**Beginning Monday March 23, 2020, and for all of the following Mondays, the Food Services Department will distribute ONE FULL WEEK OF MEALS (5 breakfasts and 5 lunches) per child on Mondays each week. There will be no meal distribution Tuesday through Friday. Additionally, we will only be distributing meals at Austintown Elementary School.**

This will continue for **ALL of the following MONDAYS during the closure** or until further notice. Please continue to remain in your vehicle and “drive-up” to our site to receive your meals. Distribution will be set up in the parking lot between AES and AIS. The meals are free to all children age 18 and under. Meals are on a first come, first serve basis.

**Meal Distribution Time: 10:30 – 12:30 on MONDAYS ONLY**

**Location: Austintown Elementary School – 245 Idaho Road, Austintown, OH 44515**

This information is subject to change. If new information arises, it will be communicated. For any questions, please contact the Food Service Department:
