Follow the same steps for Co:Writer Universal.

1. Every student has an Austintown school email and password. They will need to log in to Google using their school email and password.

(If your teacher can't provide you with their email and password email me  
MGannon@AustintownSchools.org)

When they have logged into Google if the Snap & Read and Co-Writer Universal Icons do not show up on the right top near address bar - follow the directions above to download extensions.
