

Summary of Work-Related Injuries and Illnesses

All establishments covered by Ohio Administrative Code (OAC) 4167 must complete this Summary even if no work-related injuries or illnesses occurred during the year. Remember to review the *Log of Work-Related Injuries and Illnesses* (300P) to verify that the entries are complete and accurate before completing this summary. Using the Log, count the individual entries you made for each category. Then write the totals below, making sure you've added the entries from every page of the Log. If you had no cases, write "0". If you are using the electronic form, verify that you have imported the correct values.

Employees, former employees and their representatives have the right to review the Log in its entirety. They also have limited access to the PERRP Form 301P or its equivalent. You must keep this form on file for five years following the year to which it pertains.
